The successful tenderer should be prepared to supply such quantities of various articles as may be required from time to time, such indents being complied with within two days from the date of their receipt.

The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement within 3 days from the date of acceptance of tender.

Fractions of a rupee in the totals of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be omitted and half a rupee and more taken as a rupee. Totals of bills for less than Rs. 25 will be rounded to the nearest anna.

The articles to be supplied should be good and will be liable to be rejected at the expense of the tenderer if they are otherwise.

The earnest money deposited with the tender will be forfeited to Government, if the tenderer whose tender is accepted fails to execute the necessary agreement. The earnest money received with the rejected tenders will be returned to the parties at their own cost.

Should the successful tenderer fail to comply with any of the conditions stipulated in the contract let to him, his contract, shall, forthwith be cancelled and the earnest money forfeited to Government. Further, in the event of the successful tenderer failing to fulfil the contract within the specified time, the undersigned reserves the right to purchase the required articles in the open market, at his risk and expense and claim damages. The tenderer should also bind himself to supply any other articles required by the Station at the current market rates.

S. V. SHARMA,
Assistant Director.

OFFICE OF THE SUPERINTENDENT, POWER AND LIGHTING, BHADRAVATI.

Notification dated 30th April 1938.

Sealed tenders in triplicate will be received at the Office of the Superintendent, Power and Lighting, Bhadravati. Tenders should be superscribed with the name of the work given below.

2. The plans may be seen in the Office of the Superintendent, Power and Lighting, Bhadravati, or Office of the Senior Operator, Power and Light, Shimoga, during working hours.

3. The tenders should be drawn in conformity with the detailed specification furnished, writing out the rates at which the different items of work will be executed, in figures as well as in words, failing which the tenders will be disqualified. The quantities are approximate and cannot be guaranteed.

4. The undersigned reserves the right to reject the tenders without assigning any reason therefor.

5. The successful tenderer will be required to deposit Rs. 85 (Rupees eighty-five only) and execute an agreement within three days from the date of receipt of intimation of the acceptance of tender, failing which the tender will be disposed of otherwise.

6. All materials should be of the best manufacture and conform to the Departmental Wiring Rules and the latest British Standard Specifications or the A.I.E.E. Specifications. Mention should also be made of the catalogue numbers of the materials offered.

7. No items other than those noted in the statement should be included in the tender as the items include provision for masonry repairs, painting, etc.

8. The successful tenderer should carry out any changes that might be suggested during the progress of the work, with regard to the location of the fixtures, switch points, etc., without extra cost, if the estimate is not materially affected by such deviation.

9. Name of work.—"Installing Electric Lights to the 'Bol' Bungalow, Shimoga."

10. Last date of receiving tenders.—23rd May 1938.

11. Date and time of opening the tenders in public is 23rd May 1938 at 3 P.M.

12. The time allowed for the completion of the work is 25 days from the date of acceptance, failing which a penalty of annas four for each day of delay over and above the stipulated time, will be enforced.
